The Mendoza Brothers

A Band of Gridiron Tradition

By: Conrado Perez, Jr. – Eagle Pass Sports Central

“Your best and only source for local sports news in Eagle Pass”

Throughout its 72 year storied history venerable and historic Old Eagle Football Field saw hundreds upon hundreds of former local youths nourish its hallowed turf with the blood, sweat and tears of joy from all of those former players that had the privilege and honor of playing on that historic football field.

Throughout its history several sets of siblings have played the grand old game of Texas high school football at that stadium donning the Eagle Pass Eagles football uniform including among them the Slaughter brothers Bobby and Mike, the Turnbow brothers Jimmy and Jerry, the Olivas brothers Rogelio and Victor, the Rodrigues brothers Rudy Pete and David Pete, the Acosta brothers Ronnie and Danny, the Vera brothers Orlando and Rodolfo, the Mancha brothers from Quemado Juan, Jesus, Frankie and George, the Iracheta brothers Juan Jose and Cesar, the Olivares brothers Adolfo (Fito) and Jesus (Chuy), the Crosby brothers, Juan and

Mario Jaime, the Mejia brothers Francisco, Jesus and Juan “Chuco”, the Garza brothers Abel and Alvaro, the Hobbs brothers Clyde and Curtis, the Villasenor brothers Rene, Eric and Oscar II, the Gonzalez brothers Rudy and Tom, the Charles brothers Rolando, David and Xavier the Garcia brothers Christian, Jerry and Tommy as well as several others.

But no family has had more offspring play on that historic stadium turf than the family of Julio and Guadalupe Mendoza the famed talented and athletic Mendoza brothers of Hidalgo St, who had a total of six siblings play on that historic field including Belisario Alfonso, Jose Rolando, Luis Enrique, Carlos T., Victor Manuel and Mario Alberto.

The oldest of the Mendoza brothers Benito Julio unfortunately however endured the consequences of being the oldest sibling of the family and was not permitted to play football due to the fact that he had to work since a very early age to help support the family but did get to perform on the turf of historic Eagle Field as a proud member of the mighty Eagle band. Noelia the only girl and the youngest member of the Mendoza family obviously did not play football but rest assure she was present on Friday nights at venerable Eagle Field as a proud member of the Pep Squad and proudly supporting her talented siblings as well as her future husband Albert Garcia and cheering for her beloved Eagle Pass Eagles.

Besides performing on the playing field where the Mendoza brothers were well known for giving 110% effort every single play of the entire game five of these siblings of the Mendoza brothers also proudly and bravely served defending our beloved country in the U.S. Army during the time of war with Benito Julio, Belisario Alfonso and Jose Rolando serving during the Vietnam War while Luis Enrique and Carlos served during the Persian Gulf War during Desert Storm and Desert Shield.

The Class of 74 was the last class to graduate from the old high school and the first class to graduate from the new/current Eagle Pass High School. My brothers and I were very active and excelled in many sports during the school year and during the summer. During high school I wore the #31, I played Defensive Cornerback and was a 4-year starter. My senior I was selected to the 1st Team as Unanimous All District. I also played 4 years of basketball. I also ran track until my Junior year. I didn't play high school baseball due to me working as a butcher at the local Munoz Grocery Store. After High School during the evenings I play flag football as The running back for the Wild Bunch, with some of my brothers on the city league. We won the city league and then traveled to Corpus Christi where we won the area championship. Winning the C.C. championship allowed me to play for the state championship in Amarillo, Texas. My enlistment into the Army kept me from playing for the state championship. After high school, I also worked at the Hicks Ponder Manufacturing Company was some of my brothers worked too. I worked until the end of November as I departed to start my military career on December 3, 1974.

My career started during the Vietnam era, which first took me to Fort Polk, Louisiana where I took Basic Combat Training. After basic training I was assigned Fort Jackson South Carolina, for my basic electronic training. From Fort Jackson my next assignment took me to Fort Gordon, Georgia where I took my Advanced Individual Training to learn my Military Occupational Specialty (MOS). After completing my MOS training my next orders were to report to the HHC 141st Signal Battalion in Ansbach, West Germany, and 123rd Signal Battalion in Furth, West Germany, Jun 75 to Dec 77.
