The 2017 C.C. Winn Mavericks varsity football team under the direction of head football coach Eric Villasenor culminated their season venturing into the post season for the second consecutive year. Although they finished with an overall season record of 3-8 and a district mark of 2-3 it was a season of many ups and downs and close calls as they very easily could have won at least three or four more games including against the top two teams in the district were if not for an inadvertent whistle the Mavericks would have defeated the eventual district champion Southside Cardinals and with a play or two they would have also defeated the runner-up team Floresville Tigers as well.

The famed Mavericks defense continued their patented aggressive style of play and held the

district top running backs to way below their average including the District's MVP Eddie Perez of Southside who was averaging 250 yards rushing per game but the hard hitting Mavericks defense held him to a season low total of 89 yards rushing in their head to head matchup and did likewise against Jonathan Handy from McCollum as well as Salih Williams from Floresvillel.

Offensively the Mavericks were led by sophomore starting quarterback Ethan Johnston who led the team both in passing as well as in rushing with nearly 900 yards passing and over 700 yards rushing with 9 rushing touchdowns. Jose Blanco led the Mavericks in receiving with 21 receptions for 372 yards followed by teammate Luis Olvera who had 20 receptions for 340 yards
