coaches in the State as the clinic's featured speakers covering all aspects of the game of football. This year however they will feature the absolute true great Legendary current and former Texas High School football coaches/athletic directors to be their main speakers several of whom are inducted into the Texas High School Football Coaches Hall of Honor all of them ready and eager to share their respective wealth of knowledge with all of the clinic goers in attendance. The 25th Annual Dos Amigos Ranch Football Clinic continues to be sponsored by the famed cardiologist Dr. Hector Villasenor, MD of the Heart Institute of South Texas .

The camaraderie, hospitality, atmosphere and food at the 25th Annual Dos Amigos Ranch Football Clinic is second to none as all of the clinic goers will be able to sit down with these Legendary **“Oldies but Goodies”** former and current Texas High School head football coaches/athletic directors and get any and all questions they may have answered on a one to one basis which includes any aspect of the game which may include offense, defense, special teams or even the all important kicking game. No other football clinic in the entire country affords this exclusive opportunity.

Eagle Pass Sports Central congratulates Dr. Hector Villasenor, MD, Coach Oki Villasenor and Coach Eric Villasenor for their time, effort , devotion and dedication in organizing and hosting this truly magnificent high school football clinic and wish the very best to luck to all of the coaches in attendance at the 25th

Annual Dos Amigos Ranch Football Clinic as they return back to their respective cities and communities to begin preparations for the upcoming 2018 Texas High School football season and they can implement all of the knowledge and strategies that they attained at the 25th
